Per una errada de caràcter material i atenent al que disposa l'article 109 de la Llei 39/2015, d'1 d'octubre, del procediment administratiu comú de les administracions públiques, es procedeix a publicar novament els resultats definitius de la primera prova (Test aptitudinal), segona prova (Prova d'ofimàtica) i tercera prova (prova de coneixements del temari específic).

La Comissió de Selecció del procés de referència, reunida en sessió del dia 4 de maig de 2022, informa que s'han desestimat les al·legacions rebudes en el termini establert.

Atès que la Comissió de Selecció ha detectat una errada de caràcter material en l'anunci dels resultats provisionals de la 2a prova (prova d'ofimàtica), en el sentit que la pregunta de reserva corregida no era la 27 sinó la 28, essent els resultats publicats conformes a dita previsió, per la qual cosa es procedeix a publicar la rectificació corresponent, de conformitat amb l'article 109.2 de la Llei 39/2015 de Procediment Administratiu Comú de les Administracions Públiques.

Es fa pública la relació definitiva de les persones aspirants que han sol·licitat prendre part en el torn de reserva i que han resultat aptes en les proves realitzades.

Ateses les anteriors consideracions es procedeix a publicar tot seguit i per ordre alfabètic la relació de les puntuacions obtingudes per les persones aspirants amb els resultats definitius de la primera prova (test aptitudinal), segona prova (prova d'ofimàtica) i la tercera prova (prova de coneixements de llengua estrangera), d'aquelles **persones aspirants que han superat la 1a i la 2a prova**, d'acord amb els criteris establerts en les bases de la convocatòria.

Es recorda que de conformitat amb l'apartat 7.7.2. de les bases reguladores, les al·legacions presentades durant aquest termini **es consideraran resoltes** amb la **publicació dels resultats definitius de la 1a prova (test aptitudinal), 2a (prova d'ofimàtica) i la 3a prova (prova de coneixements de llengua estrangera)**.
